

Magazine 28 #LE MAG

Discover in the magazine: announcements of strategic investments, innovations and initiatives that foreshadow the port of tomorrow: ADEME, CMA CGM, Eastman, Ikea, Engie, MSC, Sogaris and many others. With its partners, HAROPA PORT is building the "corridor of decarbonized industry", which is the DNA of the HAROPA PORT project... The "Green Industry" law, currently in preparation, should provide new tools to fuel this dynamic and contribute further to the country's reindustrialization objective.
