

### Professional trade show Global industrie

From 30 March to 02 April

On the occasion of the Global Industrie trade show, which will take place from March 30 to April 2, 2026, at Paris Villepinte, HAROPA PORT will exhibit alongside nine partners from the Île-de-France region to promote the industrial attractiveness of Île-de-France and its land development opportunities.

### 10 key territories gathered under the banner “Choose Paris Region”

HAROPA PORT will be present at stand n°5P2 (hall 5) alongside:

- Choose Paris Region
- EPA Sénart
- Grand Paris Sud Seine - Essonne - Sénart
- Grand Orly Seine Bièvre
- Boucle Nord de Seine
  
- Communauté d'agglomération Melun Val de Seine
- Grand Paris Sud Est Avenir
- Territoires d'Industrie
- Grand Paris Seine & Oise

This collective presence aims to promote strategic sectors and innovation ecosystems in Île-de-France, highlight available land and service offers for business setup and investment, and actively prospect for high-potential industrial projects.

### HAROPA PORT: a strategic land and logistics offer

At the stand, HAROPA PORT teams will showcase land and real estate solutions adapted for companies seeking integrated and sustainable logistics solutions:

- **available land** in Île-de-France,
- strategically **located sites near major economic axes**, suitable for industrial and logistics activities and connected to **multimodal networks** (river, rail, and road).

### Global Industrie, one of the world’s leading industrial trade shows

The Global Industrie show brings together France, Europe, and the world around major industrial challenges such as sovereignty, energy transition, AI, robotics, and advanced processes, offering a unique platform to discover innovations, establish partnerships, and strengthen the competitiveness of players and territories.

In 2025, the show gathered **2,500 exhibitors** and welcomed nearly **45,000 visitors**.
